

EVENT MENUS

INTERCONTINENTAL.
HAYMAN
GREAT BARRIER REEF

OUR PROMISE TO YOU

Our event menus are designed to cultivate connection; connection to the innovative flair of Modern Australian cuisine, to Hayman Island's local flavour and most importantly, to one another.

We proudly showcase the finest ingredients from trusted producers like Whitsunday Food Service, Jack Sprats for premium Queensland and Australian meats, Fishi for fresh, locally caught seafood, Wilkinson Seafoods for high-quality Australian seafood from further afield, and Simon George for vibrant fruits and vegetables sourced from Queensland and across Australia.

Culinary moments are often the moments that are remembered most – the celebratory glass of Champagne, the taste that takes you back to a night filled with laughter or the local dish that introduces you to a new culture ingrained tradition. Reflecting on these moments, our culinary team have designed an exceptional standard of cuisine, accompanied by uncompromising service with attention to detail and dedication to creating those culinary moments of true connection.

From cocktails and canapés served on the remote sandy shores of Langford Island, to banquets set under the Whitsunday stars on Hayman Beach; explore catering connections with InterContinental Hayman Great Barrier Reef.
