HAYMAN SPA & WELLNESS

BORN OF LAND, NURTURED BY SEA, SHAPED BY NATURE

Welcome to Hayman Spa and Wellness, the heart of healing energy on Hayman Island. This is more than a spa. It is a sanctuary shaped by nature and guided by the island's rhythm. Every ritual, scent and touch is an invitation to slow down, reconnect and return to self.

Rooted in the spirit of Mother Hayman, our philosophy flows from the land, the sea and the ever-present stillness of the Whitsundays. Here, ancient wisdom meets modern science, blending the purity of Australian botanicals with global wellness innovation.

Nestled within the heart of the Whitsundays, Hayman Spa is the soul of the island - a space where the rhythm of nature restores balance to body, mind and spirit. Every treatment is a dialogue with the elements, thoughtfully designed to bring harmony, clarity and renewal. The island teaches us presence, and we respond with care, stillness and intention.

Our spa unites two globally recognised wellness houses, ELEMIS and Subtle Energies, each honouring the connection between science and spirit. ELEMIS, born in London, combines advanced skin science with the potency of the natural world. Their award-winning therapies use marine actives and botanicals to deliver visible results while soothing the senses.

Subtle Energies, proudly Australian and rooted in Ayurveda, weaves together rare essential oils and ancient healing traditions to restore energy flow and awaken inner vitality. Every blend is crafted with purity, purpose and respect for nature's intelligence.

BREATHE DEEPLY. SLOW DOWN.
LET THE ISLAND RESTORE YOU.
