HAYMAN HAIR SALON

Where island beauty meets natural artistry.

Welcome to the Hayman Hair Salon, a space where creativity, confidence and care come together. Inspired by the island's natural rhythm, our approach to hair is effortless, intuitive and designed to enhance your own unique beauty. Every appointment is more than a treatment. It is a moment to reconnect, refresh and feel like your best self. Whether it is a sunlit style before an evening under the palms or a fresh cut to match the island breeze, each session is tailored to how you want to feel.

We proudly partner with Kevin Murphy, a brand rooted in sustainability and science. Their weightless, skincare-inspired formulas are kind to your hair, the planet and the surrounding sea. All products are vegan, cruelty free and packaged using 100 percent ocean waste plastic.

From glossy blow dries and soft, lived-in colour to bridal styling and men's grooming, our stylists are experts in creating looks that move naturally and glow with vitality.

Here, beauty is not about transformation. It is about alignment with yourself, your energy and the island around you.

Hayman Hair Salon. Effortless, conscious and uniquely you.

Drift into a full sensory unwind with our Kevin Murphy Scalp Spa ritual. Your treatment begins with a gentle exfoliation, followed by a nourishing cleanse and soothing scalp serum. Melt deeper with a slow, grounding scalp massage and a glass of bubbles. Your experience finishes with a smooth blow-wave and GHD styling, so you leave feeling refreshed and polished.
